Why Use a On Hold Message Service?

If you could deliver a strong marketing message to your customers using Messages On Hold for only \$69 per month AND ensure your customers have heard it, why wouldn't you?

Did you know that:

- Business people spend an average of 15 minutes day on hold
- 85% of people enquiry about products and services they found out about during an on hold message
- 15% of people purchase from offers they hear about on hold
- 70% of callers hang up after a few seconds if faced with silence whilst on hold
- 34% of the people who hang up after being on hold do not call back
- The average hold time is over 30 seconds

We're an experienced messages on hold company making sure we offer you a better on hold message package than anyone else by applying the Go Go On Hold Principle:

- Make it simple.
- Make it unbeatable.
- Make your hold message so good, you won't WANT to give it back.
