

Messages On Hold Offer from Go Go On Hold

On Hold Message Pricing

\$69/month (includes GST) with up to 6 on hold message updates per year! There's no variables involved in our pricing - just one simple, unbeatable price. It's as simple as it gets.

AND, NO CONTRACTS! You're always in control..and we're always on the ball! Phone Message Equipment

We supply the message on hold equipment. All you need is a phone system with an on hold facility - a "Commander" type system. Go Go On Hold have designed a faultless little on-hold unit - they are so simple and reliable! Our brilliant on hold devices are the size of a tiny mobile phone and they play a digital file. So what? Digital means no mistakes, no breakdowns and you don't have to do anything...just plug it in. Read more about our On Hold Message Equipment here Installation Instructions Step 1: Plug it in Umm, that's it! Using power from a normal wall socket, the Go Go On Hold unit plugs into your phone system with a simple little jack...just like a headphone jack....it's that easy! Updating Your Message On Hold

You need your on hold message updated? Tell us the message changes We email you your fresh on hold message You simply download it from the computer to the Go Go On Hold unit. It's super easy! Want to know what your On Hold Message for your business can sound like? Let us show you, for FREE.
